This show chronicles the life, times, friends and music of one of the world's most influential and progressive musicians, Pete Seeger. Once America's most boycotted, banned, blacklisted and picketed singer in history, Pete not only survived but at 90, still records and performs including at the recent Obama Inauguration Lincoln Memorial Concert with Bruce Springsteen. Come along and hear Pete's story as well as the songs that have enriched the lives of millions around the world including If I Had a Hammer, We Shall Overcome, Turn! Turn! Turn!, Where Have All the Flowers Gone, Goodnight Irene, Little Boxes, Midnight Special and lots more.

One Word...WE! was last seen at Sydney's New Theatre where it played to capacity houses each night. Original cast with special guest, Jim Conway.
